

Dear Friend of Housing Transitions,

2024 marks Housing Transitions 40th year of serving the Centre County homeless population. We help families stay together, feel safe and comforted in knowing they are supported by our team. Generous donations and support for the community allow us to provide shelter and guidance to individuals and families experiencing homelessness.

Our signature fundraising event: Boots, Band & Barn is being held on October 19, 2024! We are asking you to consider being a sponsor of this event. The evening promises to be an exceptional night of fun and a fantastic way to support some of the most vulnerable populations in our community. Your sponsorship would make a difference to the clients of Housing Transitions.

All funds raised at Boots, Band & Barn will go directly to programming at our Centre House Shelter, the only shelter in Centre County that serves the general population of individuals and families experiencing homelessness. The shelter is staffed 24/7 ensuring greater rates of success finding long term housing solutions for residents. We provide all food, toiletries and supplies, allowing residents to focus on job searches, mental health needs, addiction challenges and any other barriers that may have led to housing insecurity.

YOUR support will help us provide hope for a brighter future for the people we serve and for our community at large. So grab your boots and jeans and join us for a night to remember, all to benefit a critical need in our community.

Morgan Washburn
